Namibia - Vic Falls to Windhoek

Tijdens deze prachtige groepsreis kom je volop wilde dieren, woestijnen en waterwegen tegen. Zo starten we bij de indrukwekkende Victoria-watervallen, ook wel Mosi-oa-Tunya (de rook die dondert) genoemd. Etosha National Park heeft een overvloed aan wilde dieren en de omgeving van Ugab wordt opgesierd door historische muurschilderingen. Een ontmoeting met de oorspronkelijke bewoners van de Kalahari-woestijn maakt je reis compleet.

Dag 1 -2 - Livingstone

The group will meet in Livingstone, in Zambia, at 14:00. We have 2 days to explore Victoria Falls, a natural wonder of the world, plunging into the Zambezi Gorge. Adventure activities abound, white water rafting on the mighty Zambezi, or a 111m bungi jump (own expense). (camping Bx1)

Dag 3 -4 - Caprivi

Heading out of Livingstone we cross at Sesheke into the Caprivi, a narrow strip of Namibian land that extends between Angola, Zambia and Botswana. An abundance of large rivers attracts a variety of animals and birds and we have 2 days to explore this remote and beautiful region, including Popa Falls and a boat cruise on the Kavango River [camping BLD]

Dag 5 - Rundu

After a morning enjoying the abundant birdlife that surrounds the camp, our road takes us directly west along the Kavango River. Villages of grass huts and local wooden crafts and carvings are a common sight. We stop for the night at our riverside camp in Rundu with a spectacular sunset. (camping BLD)

Dag 6 -7 - Etosha National Park

Etosha National Park, “the great white place of dry water”, in the game rich north west corner of Namibia offers a variety of wildlife. We take game drives around the huge dry pan to find the elephants, herds of antelope and lions round the waterholes before we camp at Namutoni and Okaukuejo with its flood-lit waterhole. (Subject to animal movements we may use any of the 3 camps in Etosha.) (camping BLD)

Dag 8 - UGAB Wilderness

Our next stop is the Brandberg where we camp next to the dry Ugab River bed, home to the rare desert elephants. We explore the mountains on foot with our local guides, who lead us through this region adorned with rock art including the “White Lady”. (camping BLD)

Dag 9 - Spitzkop

Our journey covers some beautiful desert landscapes as we move south towards the huge granite domes that rise out of the desert at Spitzkoppe. We set up camp at the foot of these massive domes, and take a walk to explore the area. The silence and wide open spaces add to the mystery and we enjoy a magnificent sunset. (camping BLD)

Dag 10 -11 - Swakopmund

We cross flat open plains to the coastline where we visit the Cape Cross seal colony. Further south is the coastal town of Swakopmund. Day free to explore the town or try dune boarding or sea kayaking (own expense). We enjoy evening restaurant meals (own expense). (guesthouse Bx2 Lx1)
